WHO WE ARE: ROBINS KAPLAN

A national firm dedicated to trial work.

Robins Kaplan is among the nation's premier trial law firms, with more than 250 attorneys across seven U.S. cities.

With one of the nation's top-ranked antitrust practices, we are one of few national firms to have obtained landmark successes on behalf of both plaintiffs and defendants in major antitrust litigation and at trial, including in several of the most significant antitrust cases ever litigated.

We have secured nearly \$10 billion in recoveries for antitrust plaintiffs in the past several years, recovering more than \$2 billion for clients through jury verdicts alone.

Our lawyers secured the first settlement between a state and Big Tobacco using an antitrust theory, and we have forced critical structural reforms in many other industries. Our broad range of experience is reflected in the diverse backgrounds of our legal professionals.

Our persistent trial focus and readiness drives our success in and out of the courtroom.

DIVERSITY

Inclusion has been at the heart of our mission from the start. Robins Kaplan was founded by two Jewish lawyers who were excluded from other firms. They responded by creating a firm where all lawyers are welcome.

47% of associates hired in 2019 were attorneys of color.

50% of attorneys promoted to partner in 2020 are from historically underrepresented groups.

53% of associates hired in 2019 were women.

SELECTED WORK:
